Get Informed & Involved

Kelly Walsh, our newest City of Decatur Commissioner, joined us at our spring neighborhood meeting. She gave a great update on some of the City Commission initiatives and how she has been spending her time since elected. Thanks to everyone who attended. You can follow Kelly on Facebook under Commissioner Kelly Walsh.

Additionally, there have been several neighbors who have kept us informed via the listserv on the work of the Board of Education, especially on their work related to redistricting.

Staying informed and getting involved helps improve our city for everyone. Below is some helpful information.

Glennwood Estates Board

We need several at large members for the board. The commitment is minimal – less than 8 hours a year. Basically you just need to come to two meetings a year and share your opinions. Email Betsy Skelton at president@glennwoodstates.org if you can help.
